Docket HWCA 2003-0101

CONSENT ORDER

Health and Safety Code  
Section 25187

The State Department of Toxic Substances Control (Department) and All Chemical Disposal, Inc. (Respondent) enter into this Consent Order and agree as follows:

1. Respondent operates as a transporter of hazardous waste at 21 Great Oaks Boulevard, San Jose, California 95119 (Site).

2. The Department inspected the Site on December 9, 2002.

3. The Department alleges the following violations:

3.1. The Respondent as the transporter of hazardous waste, violated Health and Safety Code section 25201(a), and violated California Code of Regulations, title 22, section 66263.18 in that the Respondent held hazardous waste for more than 10 days to wit:

3.1.a. Hazardous waste manifest number 20442887 showed that the Respondent picked up hazardous waste from Biopathology Science (Generator) on

8/30/01 as transporter 1 and delivered the hazardous waste to 21st Century as transporter 2 on 9/12/01. Respondent held the hazardous waste 3 days in excess of the 10 days transfer station exemption.

3.1.b. Hazardous waste manifest number 20442340 showed that the Respondent picked up hazardous waste from Nitinol Devices Components(Generator) on 01/12/01 as transporter 1 and delivered the hazardous waste to the TSDF facility located in San Jose, California on 02/15/01. Respondent held the hazardous waste 24 days in excess of the 10 days transfer station exemption.

3.1.c. Hazardous waste manifest number 20442978 showed that the Respondent picked up hazardous waste from Robbins Scientific Corp.(Generator) on 8/29/01 as transporter 1 and delivered the hazardous waste to 21st Century as transporter 2 on 09/12/01. Respondent held the hazardous waste 4 days in excess of 10 days transfer station exemption.

3.1.d. Hazardous waste manifest number 20442534 showed that the Respondent picked up hazardous waste from O'Connor Hospital(Generator) on 04/12/01 as transporter 1 and delivered the hazardous waste to 21st Century as transporter 2 on 04/25/01. Respondent held the hazardous waste 3 days in excess of the transfer station exemption.

3.1.e. Hazardous waste manifest number 20442535 showed that the Respondent picked up the hazardous waste from Exelixis Pharmaceuticals, Inc.(Generator)on 04/12/01 as transporter 1 and delivered the hazardous waste to Filter Recycling Services as transporter 2 on 04/25/01. Respondent held the hazardous waste 3 days in excess of the transfer station exemption.

3.1.f. Hazardous waste manifest number 20442392 showed that the Respondent picked up the hazardous waste from West Valley Mission Community College District(Generator) on 02/27/01 as transporter 1 and delivered the hazardous waste to 21st Century as transporter 2 on 03/14/01. Respondent held the hazardous waste 5 days in excess of the transfer station exemption.

3.2. The Respondent, violated Health and Safety Code section 25189.2.(a), in that on or about September 14, 2002, Respondent failed to sign and date the correct date on the uniform hazardous waste manifest number 20443037. The record showed that the generator signed the hazardous waste manifest on 09/14/01, while the Respondent signed and dated the receipt of the waste from generator as 3/14/01.

4. A dispute exists regarding the alleged violations.

5. The parties wish to avoid the expense of litigation and to ensure prompt compliance.

6. Jurisdiction exists pursuant to Health and Safety Code section 25187.

7. Respondent waives any right to a hearing in this matter.

8. This Consent Order shall constitute full settlement of the violations alleged above, but does not limit the Department from taking appropriate enforcement action concerning other violations.

9. By entering into this Consent Order, the Respondent does not admit any of the violations alleged.

### SCHEDULE FOR COMPLIANCE

10. Respondent shall comply with the following:

10.1.a. Respondent shall immediately cease storing hazardous waste without authorization from the Department. If Respondent elects to operate as a transfer station, Respondent shall not hold hazardous waste in excess of six days, or 10 days if Respondent is located in an area zoned industrial by local planning authority, as specified in California Code of Regulations, title 22, section 66263.18. If Respondent elects to store hazardous waste in excess of the specified time frames, Respondent shall obtain a hazardous waste permit for storage from the Department.

10.1.b. Respondent shall immediately direct all drivers to sign and accurately date all manifests acknowledging acceptance hazardous waste in accordance with California Code of Regulations, title 22, section 66263.20.

10.2. Submittals: All submittals from Respondent pursuant to this Consent Order shall be sent simultaneously to:

Ms. Patti Barni  
Northern California Branch  
Statewide Compliance Division  
Department of Toxic Substances Control  
700 Heinz Avenue, Suite 200  
Berkeley, California 94710

and

Mr. Essam Eissa  
Northern California Branch  
Statewide Compliance Division  
Department of Toxic Substances Control  
700 Heinz Avenue, Suite 200  
Berkeley, California 94710

10.3. Communications: All approvals and decisions of the Department made regarding such submittals and notifications shall be communicated to Respondent in writing by a Branch Chief, Department of Toxic Substances Control, or his/her designee. No informal advice, guidance, suggestions, or comments by the Department regarding reports, plans, specifications, schedules, or any other writings by Respondent shall be construed to relieve Respondent of its obligation to obtain such formal approvals as may be required.

10.4. Department Review and Approval: If the Department determines that any report, plan, schedule, or other document submitted for approval pursuant to this Consent Order fails to comply with the Order or fails to protect public health or safety or the environment, the Department may return the document to Respondent with recommended changes and a date by which Respondent must submit to the Department a revised document incorporating the recommended changes.

10.5. Compliance with Applicable Laws: Respondent shall carry out this Order in compliance with all local, State, and federal requirements, including but not limited to requirements to obtain permits and to assure worker safety.

10.6. Endangerment during Implementation: In the event that the Department determines that any circumstances or activity (whether or not pursued in compliance with this Consent Order) are creating an imminent or substantial endangerment to the health or welfare of people on the site or in the surrounding area or to the environment, the Department may order Respondent to stop further implementation for such period of time as needed to abate the endangerment. Any deadline in this Consent Order directly affected by a Stop Work Order under this section

shall be extended for the term of such Stop Work Order.

10.7. Liability: Nothing in this Consent Order shall constitute or be construed as a satisfaction or release from liability for any conditions or claims arising as a result of past, current, or future operations of Respondent, except as provided in this Consent Order. Notwithstanding compliance with the terms of this Consent Order, Respondent may be required to take further actions as are necessary to protect public health or welfare or the environment.

10.8. Site Access: Access to the Site shall be provided at all reasonable times to employees, contractors, and consultants of the Department, and any agency having jurisdiction. Nothing in this Consent Order is intended to limit in any way the right of entry or inspection that any agency may otherwise have by operation of any law. The Department and its authorized representatives may enter and move freely about all property at the Site at all reasonable times for purposes including but not limited to: inspecting records, operating logs, and contracts relating to the Site; reviewing the progress of Respondent in carrying out the terms of this Consent Order; and conducting such tests as the Department may deem necessary. Respondent shall permit such persons to inspect and copy all records, documents, and other writings, including all sampling and monitoring data, in any way pertaining to work undertaken pursuant to this Consent Order.

10.9. Sampling, Data, and Document Availability: Respondent shall permit the Department and its authorized representatives to inspect and copy all sampling, testing, monitoring, and other data generated by Respondent or on Respondent's behalf in any way pertaining to work undertaken pursuant to this Consent

Order. Respondent shall allow the Department and its authorized representatives to take duplicates of any samples collected by Respondent pursuant to this Consent Order. Respondent shall maintain a central depository of the data, reports, and other documents prepared pursuant to this Consent Order. All such data, reports, and other documents shall be preserved by Respondent for a minimum of six years after the conclusion of all activities under this Consent Order. If the Department requests that some or all of these documents be preserved for a longer period of time, Respondent shall either comply with that request, deliver the documents to the Department, or permit the Department to copy the documents prior to destruction. Respondent shall notify the Department in writing at least six months prior to destroying any documents prepared pursuant to this Consent Order.

10.10. Government Liabilities: The State of California shall not be liable for injuries or damages to persons or property resulting from acts or omissions by Respondent or related parties specified in paragraph 12.3, in carrying out activities pursuant to this Consent Order, nor shall the State of California be held as a party to any contract entered into by Respondent or its agents in carrying out activities pursuant to this Consent Order.

10.11. Incorporation of Plans and Reports: All plans, schedules, and reports that require Department approval and are submitted by Respondent pursuant to this Consent Order are incorporated in this Consent Order upon approval by the Department.

10.12. Extension Requests: If Respondent is unable to perform any activity or submit any document within the time required under this Consent Order, the Respondent may, prior to expiration of the time, request an extension of time in writing. The extension request shall include a justification for the delay.

10.13. Extension Approvals: If the Department determines that good cause exists for an extension, it will grant the request and specify in writing a new compliance schedule.

### PAYMENTS

11. Within 30 days of the effective date of this Consent Order, Respondent shall pay the Department a total of \$4,640, of which \$ 1292.57 is a penalty and \$ 3347.43 is reimbursement of the Department's costs. Respondent's check shall be made payable to Department of Toxic Substances Control, and shall be delivered together with the attached Payment Voucher to:

#### OTHER PROVISIONS

12.1. Additional Enforcement Actions: By agreeing to this Consent Order, the Department does not waive the right to take further enforcement actions, except to the extent provided in this Consent Order.

12.2. Penalties for Noncompliance: Failure to comply with the terms of this Consent Order may subject Respondent to civil penalties and/or punitive damages for any costs incurred by the Department or other government agencies as a result of such failure, as provided by Health and Safety Code section 25188 and other applicable provisions of law.

12.3. Parties Bound: This Consent Order shall apply to and be binding upon Respondent and its officers, directors, agents, receivers, trustees, employees, contractors, consultants, successors, and assignees, including but not limited to individuals, partners, and subsidiary and parent corporations, and upon the Department and any successor agency that may have responsibility for and jurisdiction over the subject matter of this Consent Order.

12.4. Effective Date: The effective date of this Consent Order is the date it is signed by the Department.

12.5. Integration: This agreement constitutes the entire agreement

between the parties and may not be amended, supplemented, or modified, except as provided in this agreement.

12.6. Compliance with Waste Discharge Requirements: Respondent shall comply with all applicable waste discharge requirements issued by the State Water Resources Control Board or a California regional water quality control board.
